

Let's Transform How We Do Business Together

Meeting Your Payment Expectations in a Digital Age

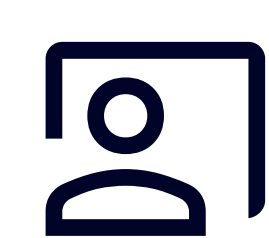

We've stepped into the digital age to ensure we're always improving the way we work together. Using Versapay's cloud-based technology, we're introducing our new Customer Portal allowing us to collaborate in real-time and enabling you to view and manage your account, access invoices and statements, add and manage payment methods, setting payment reminders, and so much more.

Key benefits

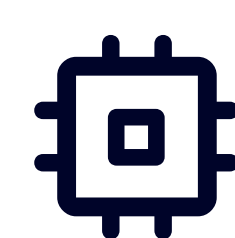

1. Receive Complete Visibility of your Account
2. Streamline Your Payment Process
3. Flag Disputes and Resolve Issues Easily Online

Features & Benefits

Self-Service Customer Portal

Access your account on-demand enabling you to view your current and past invoices & statements, manage your payment methods, download receipts, and update your organization's information – all from our online portal.

Go Digital & Simplify Your Payments

Securely add new payment methods with ease including credit cards (Visa, Mastercard, Discover, and AMEX) and bank accounts. Take advantage of autopay to streamline your processes and eliminate missed payments.

Pay at Your Convenience

Pay when you want, how you want from anywhere, anytime. Don't worry about paying us during regular business hours. Give your business and team members the time & attention they deserve.

Simplified Electronic Invoicing

Go paperless! Reduce the amount of time, effort, and costs associated with receiving and processing printed invoices received through the mail.

Bank-Grade Compliance & Security

Our Customer Portal was built with security as the highest priority featuring: PCI-Compliance, SOC 1 Type I Certification, SOC 2 Type II Certification, and PIPEDA/GDPR/Privacy Shield Protections.
